EXPERIENCES AND VOLUNTEERS

WordPress Developer 2026
Health Information System Working Group (HISWG)
702 Moo 1, Tha Sai Luad, 63110, Thailand, Tak, Mae Sot,

- anaged and maintained the organization's official website using WordPress, including customizing themes, improving page layout and user interface design, updating plugins, and optimizing content for better accessibility and user experience.
- In addition, supervised and updated the organization's Facebook page by creating and publishing informative posts, responding to inquiries, monitoring engagement metrics, and ensuring timely dissemination of news, events, and announcements to maintain effective communication with the public

IT-Intern and Web Develop *2025*
Ethnic Health System Strengthening Group (EHSSG)
702 Moo 1, Tha Sai Luad, 63110, Thailand, Tak, Mae Sot,

- I have acquired a strong foundation in computer fundamentals and programming languages, including HTML, CSS, and JavaScript, which has significantly enhanced my understanding of the broader IT field.
- Additionally, I have gained comprehensive knowledge and practical experience in finance, supply chain management, project implementation, MEAL systems, as well as human resources and administrative management.

English literal tutor and Leader
Administration Committee and Seh Theh Foundation *2023,2024*
Daw Noe Kue IDP camp, Section-1, Soe Tha Shar town, Karenni State.

- I am entrusted with leading and mentoring individuals, coordinating program activities, fostering a collaborative team culture, and empowering young people to cultivate confidence, accountability, and a strong sense of personal responsibility.
- In addition, I design and deliver dynamic, learner-centered lessons that strengthen grammatical proficiency and communicative competence. I actively encourage students to articulate their ideas with confidence, provide constructive and formative feedback to address errors, and cultivate an engaging, inclusive learning environment that supports both academic growth and personal development.
